

# Josh Talks AI Image Evaluation - Prompts Used

## Prompt 1 - Saree (festive)

A product photo of a maroon cotton silk saree with a golden zari border, draped on a female model standing against a plain cream-colored wall, soft natural lighting, front-facing, full saree visible, suitable for an online clothing store catalog listing.

## Prompt 2 - Jhumkas (jewelry)

A close-up product photo of a pair of oxidized silver jhumka earrings with tiny bells, placed on a white marble surface, soft studio lighting, shot from directly above, suitable for a jewelry catalog listing on an e-commerce app.

## Prompt 3 - Festive kurta set (Diwali banner)

A product photo of a mustard-yellow embroidered kurta and matching dupatta set for women, displayed on a mannequin against a warm-toned background with a subtly blurred diya and rangoli motif, festive Diwali sale mood, soft warm lighting, suitable for an Instagram store banner.

## Prompt 4 - Jute bag (flatlay)

A flatlay product photo of a handwoven jute tote bag with brown leather handles, placed on a plain beige background, top-down view, soft even lighting, minimal styling, suitable for a Meesho catalog listing.

## Prompt 5 - Silver anklet

A product photo of a pair of silver anklets with small hanging charms, placed on a dark wooden surface, close-up shot, warm side lighting highlighting the detailing, suitable for a WhatsApp Business catalog send.

## Prompt 6 - Men's kurta (everyday wear)

A product photo of a light blue cotton men's kurta, worn by a male model standing against a plain white studio background, three-quarter angle, natural daylight lighting, suitable for an online ethnic-wear store listing.

## Prompt 7 - Home decor (brass diya set)

A product photo of a set of three brass diyas with intricate carved patterns, arranged on a wooden tray with a few marigold petals scattered around, warm cozy lighting, suitable for a home decor store's festive collection listing on Instagram.
